- Try to make dinner by **8pm**.
- **Individuals should clean their own utensils without delay**, unless they are in a hurry to get to the office or a location, and they must do it as soon as they return.
- Keep all spices in their original place rather than leaving them on the kitchen platform.
- Cleaning up trash is everyone's job.
- Don't leave the shoes near the steps or stack them haphazardly.
- Maintain a clean kitchen, hallway, and shoe area.
